Jim,

Responding to your request of Toru --

I believe that Ben Porter reviewed two Honolulu Financial Plans, the November 2007 version and the "DEIS" version (12 Aug 2008). Attached are these two plans, the email traffic that went back and forth between Ben and the City (and me), and attachments to several of the emails.

We never received any documentation of Ben's "conclusions" from either review; presumably those went to Ron.
