Mr. Melvin N. Kaku, Director  
Department of Transportation Services  
City and County of Honolulu  
650 South King Street, 3<sup>rd</sup> Floor

Dear Mr. Kaku:

**SUBJECT: Honolulu High-Capacity Transit Corridor Project Alternatives Analysis**

At the public outreach meeting held by the Transportation and Planning Committee on November 13, 2006, at McKinley High School on the alternatives analysis for the Honolulu high-capacity transit corridor project, the issue of environmental impact information was discussed. You indicated at the time that such information would be submitted within five days.

Please submit to the Committee the documentation of environmental effects of the various alternatives – i.e. any DEIS documentation short of the FTA's review and approval – that has already been prepared by your Department and the project consultant. Submittal of the information by November 29, 2006 would be appreciated.

Please be advised that you have previously submitted to the Council the Draft Honolulu High-Capacity Transit Corridor Project Environmental Consequences: Supporting Information, dated October 26, 2006. You do not need to submit that document again.

Thank you for your consideration of this request.

Sincerely,

  
ROMY M. CACHOLA, Chair  
Transportation and Planning Committee
