Subject: HI conference call

DARN…I had Melvin talked into our approach of written questions and then possible phone call at a later date if needed but apparently he got trumped by his Chief of Staff who is out in HI. I was very clear with Melvin that it is premature to discuss the status of the project from the New Starts perspective prior to receiving and reviewing their updated finance plan and he seems to understand….just hope the Chief of Staff does as well.

The earliest I can do this call tomorrow afternoon would be 3:30pm due to other meetings on the hill. I'll send out a meeting notice and see who is available at 3:30pm. Sorry…I tried.

Hey Kate,

Just spoke to Amy, our chief of staff. She still wants to talk tomorrow. Please let me know the specific time that we can expect the call. As I requested earlier, we would be able to speak some time between 2pm-4pm tomorrow (DC time). Thanks.

Melvin
