Greetings,

It looks like next Wednesday, July 7th at 4 pm EST is the best time for our next conference call. Please hold time for 1.5 hours, but we will try to keep the discussion to an hour. I will send out a call in number next week and more information next week.

Ted or Carl, could you reply all to this list and share the notes that Laura prepared based on our request from our last call?

Thank you!

Liz
