I will meet you at 11 am tomorrow at the front desk of the Hilton. Jim Ryan can't make it. The Administrator met with the Mayor of Honolulu yesterday and reportedly told him to pick a technology (bus or rail) before applying for PE entry.

Either day is good. I would prefer Wednesday, anytime after 11 am, at TRB.

Jim and Joe,

Lawrence Spurgeon, a PBer from Honolulu, will be coming to TRB and would like to try to meet with you while he's here. Lawrence is slated to head up the NEPA scoping process for PB and to lead the drafting of the EIS (assuming the project gets approved into PE). Any chance of finding some available time on your calendars -- preferably the 22nd or 23rd -- to talk over the NEPA approach for this project?

Don
