Ted,
I have included the meeting notes from the original meeting. I have also included a copy of the notes we put together when their letter came in.

Finally, there is a copy of the matrix that provides point-by point assessment to the Final EIS section for each comment. Let me know if you need more.

Hi Faith, I need that info faster than I thought originally. As we discussed, can you send me the meeting notes of your meeting with the people who wrote the letters in September, and any info on where you think their comments are addressed in the FEIS?

thanks,

Ted
