I made an initial pass at editing the letter (attached) borrowing some from Susan's proposed edits.

Aloha Peter,

Attached is the draft letter for your review pursuant to your conversation with the Mayor and Denis. The Mayor reviewed and signed the hard copy since he is off-island tomorrow morning. It is based largely on the previous draft from two weeks ago. Please e-mail me your comments or a track change version and we'll figure out how to get his signature if that is necessary.
