To all:
Thank you for attending today.
DTS has been asked to forward this e-mail to HDOT.
This meeting is focused on the concerns of HDOT and FFA regarding the HHCTCP airport alignment.
Attached are 3 maps of the LPA courtesy of DTS; one map of a 4(f) avoidance alternative from the October 2009 AFEIS courtesy of FTA; and an agenda courtesy of FTA and FFA.

Jim, here is the best version of what we have on the airport alignment. These are also contained in the EIS Appendix B. That's the only graphic the City has that will help with the conference call on Monday. Since you are sending out an agenda and we don't know who will be on the call, please include this with the agenda. Thanks!

FEIS drawings attached. NOTE there are 2 sheets for Lagoon Station at different locations. I'm not sure which one you want to send.
