Thanks. You should let FHWA know, too, if you haven't already.

Subject: Honolulu's Primary Corridor Project

Toru Haymayasu called today and announced that DTS has decided to drop Alternative 4, the Sand Island Scenic Parkway. I said that in light of the recent letters their decision was fine with us. DTS will send a letter formally announcing the change. Toru left Cheryl Soon's number (808.523.4125) for Leslie if he chooses to call for any necessary "protocol reasons".
