Hi Ted and Ray –

As promised, transmitting a copy of the Section 106 PA that will be discussed at tomorrow's (7/28/09) meeting. You will see the revisions that have been made to the draft PA that was enclosed with the meeting invitation. The 7/27/09 version of the PA:

1. Reflects the effects determinations related in the 7/22/09 letter from the SHPO (copy attached). Due to schedule considerations, we have decided to accept the SHPO's earlier determination that the eleven properties listed in the 7/22/09 letter as requiring further consultation would be adversely affected.
2. Complies with the Navy's requirement that all stipulations pertaining to their properties be deleted.
3. Includes the provision for archaeological fieldwork for the portion of the property between Nuuanu Stream and Ala Moana Center that was inadvertently omitted in the earlier version of the PA.

I also forgot to ask you this morning about the status of your responses regarding the Oahu Island Burial Council and the Office of Hawaiian Affairs requests to be invited signatories.

If you can participate in the PA meeting, it will be from 9:00 a.m. to 11:00 a.m. (Hawaiian Standard Time) on Tuesday, July 28, 2009. The call in number is 1-888-742-8686, Confirmation ID 3784294.

Thanks.
