Hello Blythe,

My managers are allowing me to go forward with a teleconference provided that it takes place soon. Would you be available to participate early next week on Monday or Tuesday afternoon?

I realize that this is a last minute notice, but we would hope to get the information out as soon as possible today. I have not informed the City yet.

Sure. How about this afternoon. 1:30 to 4:00 are open, you can just let me know what's best for you. - Blythe

I wanted to clarify, I am just proposing tomorrow morning as a time to chat. It would be helpful to catch up with you in the next few days, however, if you are busy tomorrow, later this week would also be fine.

Thank you,

Liz

Hello Blythe,

Would you have time tomorrow to chat about the Honolulu PA? We are preparing written responses to comments received on the PA. I have some questions on process. I could be available anytime after 10 am.

Thank you,

Liz
