Faith, after consulting with Jim we will send this letter directly. Do you have the name of the park superintendent to be copied on the letter? Thanks.

Hi Ted –

I was preparing to finalize this letter and remembered that maybe this letter needs to come directly from FTA. Please advise if I should revise for it to come from you. Let me know.

I also need to work on the Section 106/NEPA merger matter and see if we need to have the merger letter come from you.

Thanks.

Faith

Faith,
We realized that the project owes a notification to the Secretary of the Interior related to our Section 106 process effect on the PHNHL. Here is a draft notification.
