Hi Liz –

Just sent you a copy of the draft PA that addresses your comments. Let me know if you need anything else. Let's talk soon.

Hello Faith,

Do you anticipate being able to send the draft Programmatic Agreement soon? I would like to be able to respond to Laura's email with a copy of the revised PA.

I will give you a call about some of your questions from last week on the programmatic agreement later this afternoon. In general, I believe our preference is to see how the signatories and invited signatories react to our proposed language as it is currently drafted.

Liz

Hi Liz,

I haven't heard back from you folks since our last call, which was over a month ago. As I recall, we are waiting to receive some revised language from the City and FTA on the two points discussed during the call (post-construction burials and the *Kako'o* support), and draft language from the FTA on the mitigation/response regarding the cumulative and foreseeable impacts to the historic districts.

Do you have a timetable for when that might be presented for review?

Thanks.
