Jim and Joe,

Prior to the April 28 meeting, I wonder if we might have a conference call to go over some of the NEPA issues that are involved here. You might want to involve Ray Sukys too. The best dates for me would be April 17 and 21. Thanks.

Don

If possible, we would like to establish a meeting date to discuss the following topics:

- Travel Forecasting Work Elements
  - Review a series of technical memoranda (that will be provided in advance) that cover a range of topics:
    - CTPP Person Trip Comparisons
    - Implementation of Alternative Volume-Delay Functions
    - Analysis of the 1992 On-Board Survey Assignment
    - Computation of Revised Calibration Target Values
    - Parking Cost Representation
    - Highway Travel Time Comparisons
    - Transit Travel Time Comparisons
  - Mode Choice Model Re-Calibration & Validation
  - Managed Lane Alternative Representation & Forecasting Methodology
- Definition of Alternatives
  - No-Action
  - TSM
  - Managed Lane Alternatives (2)
  - Fixed-Guideway Alternatives (4)
- Schedule
  - Completion of AA
  - Draft and Final EIS

Our preferred date is Friday, April 28th. I believe our agenda will require a vast majority of a day. The other options could be the morning of the 26th and/or the morning of the 27th.
