Hi Ted -

Spoke with Carl Bausch this morning. Told him that I have a tentative time that Laura Thielen is available (Monday, 8/9/10, 9:00 a.m.-Honolulu) for a teleconference on the PA. Laura's secretary needs to confirm with Laura over the weekend when she is back in town. Meanwhile, I checked with the other participants and Blythe Semmer from ACHP, Elaine Jackson-Retondo and Jeff Durbin from NPS, and Pua Aiu from SHPD have said that they are available. Therefore, I have taken the liberty of scheduling a teleconference. You probably already received the call information. The meeting may be cancelled on Monday if Laura cannot participate and you feel that it would be useless to meet without her. Anyway, that is the status report.

Faith

Hi Faith, for some reason I'm having trouble getting through from home but any discussion of the PA coordination should include Liz, maybe we can do a call Monday if you re having trouble assembling the group. I suspect that may be the case.
