Faith,

NPS review of the sound data that you forwarded to us on July 1, is scheduled for completion this week. We will issue our letter after we have received the analysis. The July 28 meeting is scheduled prior to conclusion of the usual 30 day period for comment (Aug 1). Yes we have received the invitation to participate and have it on our calendars. I didn't see reference to the ACHP in the draft PA. Have they been invited into the consultation?

Regards,
Elaine

Corridor Project

Hi Elaine -

Just a follow-up to our conversation earlier this week. Do you have any indication as to when you will be providing us with comments on our response to your response to the Historic Effects Report for the subject project? We are anxious to receive your comments because we have scheduled the first meeting to discuss the Section 106 Programmatic Agreement for July 28th. I hope you received the invitation to participate in this meeting. Please let me know if you did not.

Thanks for your help.
