Subject: Honolulu Update Call

When: Tuesday, August 17, 2010 1:00 PM-2:00 PM (GMT-05:00) Eastern Time (US & Canada).
Where: 877-336-1828 access code: 2282016

Note: The GMT offset above does not reflect daylight saving time adjustments.

~~*~*~*~*~*~*~*~*~*

The purpose of the call is to discuss the precast yard and other items on the Honolulu transit project.

For your convenience, I have placed comments received on the FEIS, the latest draft of the Honolulu PA (revised yesterday by the City), information on the casting yard, and Section 7 letters for USFWS on the shared drive under the folder Honolulu.
