Three is always a better time for me, Liz, but I'll settle for four if that's what suits everybody else. I assume from our discussion that we're not standing still until our discussion with Faith? Thanks. Carl

Would you be available on Wednesday at 4 pm to have a call with the City to discuss the NPS comments? Faith will not be back into town until Wednesday morning.

If 4 pm does not work, please let me know if 3 pm EST would be a better time for you.

Thank you!

Liz: I left you a voice mail requesting a teleconference call with you on Wednesday, 5/7 at 10 am (Honolulu) to discuss our proposed response to the National Park Services' comments on the Project's Programmatic Agreement and Section 4(f). Faith will be back at the office and will join us for this discussion along with other project staff.

We will be sending you our proposed responses, via email, this afternoon for discussion on Wednesday.

Please let me know if this day/time is good.

Thanks.
