I am out of town at the moment and can't really read this on my blackberry but FTA was expecting something on FAA letterhead.

Subject: Revised letter CCH to FTA

All,

Again thanks for your participation in this morning telephone conference call.

Attached is a revised letter based upon the comments we received this morning. Please feel free to share this letter with others within your organization. Our intent is to have this letter available for Steve Wong concurrence in time for his meeting with FTA, on Monday afternoon, October 19. This letter has been signed to indicate CCH has approved the content, however the letter has not been formally sent to the FTA pending your final review.

Mr. Ray Sukys: Steve Wong asked that we include you on this e-mail to solicit your input prior to your meeting Monday to assure this letter meets your expectations.
