Faith,

Thank you for sending the attached materials. SHPD agreed with your adverse effect determination for Makalapa and Little Makalapa, however there is no discussion of the boundaries for the two properties It is our belief that the boundary should match the Navy ICRMP which treats the two Makalapa's as the Makalapa housing zone. We do not believe that this should affect the PA language as it does not change the effect determination.

If you have outstanding concerns please discuss with FTA.

Mahalo,

Pua

Hi Pua –

Attached are the eligibility forms that were prepared by the Rapid Transit Division for Makalapa and Little Makalapa Housing areas and submitted to your office for review. I am also transmitting in another file, the correspondence regarding this issue. Please provide us direction as to which boundary we should use.

Thanks.

Faith

Faith, the attached forms and map are what SHPD concurred on for the eligibility determination. Because the districts have not been submitted for the register, this is the only acceptable Section 106 information that we have to work with.
