COL Killian is at our regional headquarters. At one time he was our garrison/installation commander but has since moved on. Did you address it to COL Killian, Commander, US Army Garrison, Commander (his old title).

Anyway, no I have not seen it. The folks that are more likely interested in the project are our master planners as part of the route skirts our Fort Shafter Flats area?

Mike Kumabe. Have you seen and do you have any comments???

Mr. Char

Last month the City and County of Honolulu transmitted to Army Garrison Hawaii the Administrative Final EIS for the transit project. It was directed to Colonel Killian. I know from the scoping period that you have been involved, so assumed the report may have been directed to you. We requested any comments from Cooperating agencies my July 20, so I am making a follow-up to see if the Garrison has any comments. If you are not the correct individual, I would appreciate any direction as to who I should contact.

Mahalo,
Lawrence
