Subject Transit - Airport Coordination Meeting

Director:

Thanks you very much for attending the wrap-up session of our Charette yesterday afternoon.

As I mentioned, the airport meeting to try and resolve the alignment with relation to the airport modernization plan is scheduled for July 16th at 1:30pm. You mentioned that you cannot attend because you will be off-island.

I feel that it is important that you attend such a meeting so w can get this issue resolved. I have a teleconference tomorrow morning to discuss the meeting with PTG. Is it OK that I ask the meeting be postponed to the following week so that you can attend? I would ask them to check you availability before the new date is set. If you can let me know sometime today, I will discuss with PTG during our teleconference.
