No need to tell me about the Administrator's conversation with Leslie, Susan. I can sense from Leslie's note what it was all about. Good for the Administrator! Carl

Greetings All:

With FTA's political leadership team joined by Matt's and Susan B's participation, I just completed a short phone conversation with the Administrator wherein he directed that Region IX with assistance from TPE and TCC staffs commit the requisite time and resources to expedite FTA's review and completion of all necessary documentation to accelerate the completion of the Honolulu FEIS and issuance of the ROD. I committed Region IX to this effort and I am confident that with everyone's help, we all will make this happen. Thanks!

Leslie

Susan asked me to take an initial shot at a schedule as directed by TOA-1. I am sure that something is missing but here is my shot.
