Jim:

I will be out of the office from this Wednesday afternoon through next Tuesday. However, to keep this moving, I may be able to call in on an afternoon when I am out--except for the 24th and 25th. I will review the most recent draft you sent before I leave the office, though.

Pua/Blythe:

I have spiffed-up the Final Draft PA based upon everybody's (ACHP, SHPD and FTA) input.

We still have one or two minor issues and some language to work out. Liz and I are looking for a final meeting with you both for 2:30 EDT next Monday or Tuesday (22nd and 23rd). If these dates and times are no good, please let us know when you are available.

Regarding the attachments: Attachment 2 appears to be adequate – Attachment 1 needs some work. There is no distinction between the LPA (Airport) and the Salt Lake Alt. We can discuss.

Thanks;
Jim

Thanks James.

I have not received language from Susan. I suggest that we say something to the effect that the characteristics of the replacement trees will be determined in consultation with the outdoor circle.

Jim, as requested, link to 106 maps from the City.

Here is the set we put together in December. For the APE maps, we made 2 changes:
1) List only the sheets on the cover sheet included in the final APE set, and
2) Added a boundary around the APE.
Otherwise we left those maps identical to the maps previously accepted by SHPD, as we didn't want to change any previous approvals.

And, as Judy reminded me:
We confirmed boundaries of Merchant Street and Chinatown historic districts are shown correctly.

Faith can you set up the 106 attachments as Jim asks? Make sure any changes discussed have been included and make them available.

Ted:

We asked HTS to clean-up the attachments to the PA for final review.

Please ask Faith to send them to FTA, or to provide us with a link so that we can comment.

Thanks

Jim
