Subject: Honolulu FEIS Construction Plan

Ted:
I'm trying to reconcile pieces of the 106 PA in preparation for my meeting Monday with Blythe and Pua. The attached file is right out of a revised Stipulation X. It represents an improvement to the PA and the FEIS.
Please transmit to HTS and have the language included in the appropriate chapter and summaries in the appropriate subchapters (e.g. Executive Summary, 106 section).
Thanks;
Jim
