Subject: Honolulu High-Capacity Transit Corridor Project

Hi Ted –

I intend to email to you by the end of my day the section of Chapter 8 of the Admin FEIS regarding comments and responses. In this section, we discuss the most common comments received and our response to those comments. In addition, I will also be sending you about 6 or 7 responses to comment letters received, such as those from Cliff Slater and Stop Rail Now. My question is, "Do you want me to cc Jim Barr on the email or would you rather forward it on to him?" I intend to send the email to you and Ray. Let me know how you want to handle this.
