Dave, Jackie and Sonia, I understand that the call with Gov. Lingle may be on Thursday. If so, TPE/TRO-9 and TCC need to get the briefing paper to you tomorrow. Please let us know if this is correct. Susan B.

Susan:

I connected with Renee and we agreed that the better place to include details on the governor's role in approving the FEIS would be in the briefing paper being prepared for the administrator in advance of the phone call with Governor Lingle.

So, we are good to go with the attached (unchanged since this morning's distribution).

Thanks.
