John,

I have called Ms. Marler, left messages, and await her return call. Looking forward to discussing with her why it would be a good idea from a 106 compliance standpoint for the Navy to be a signatory to the PA, especially given that groups such as the National Trust for Historic Preservation and Historic Hawaii Foundation have already been asking about how the Navy will document compliance with Section 106.

Randy

John:

Thank you for chatting with me today and welcome aboard.

Please have Mr. Young contact Rene Marler (415-744-2736) our FTA counsel in Region IX San Francisco in order to discuss Navy signatory status.

We are at the eleventh hour with the 106 process and need your immediate help if we are going to get it done. I have included the most recent draft PA for your review and comment. After 10 or 11 meetings with the consulting parties, we do not expect it to change very much. We will meet with Hawaii SHPD and the ACHP staff soon to hammer out a final document for management review.

Please coordinate with Faith and keep us in the loop.

Thanks again.

Jim
