**Subject:** RE: ACHP status

Hi Ted -

ACHP is not a NEPA participating agency.

Although we have been considering the ACHP to be a Section 106 consulting party, I have been unable to locate any correspondence that confirms this status. It appears that the SHPD started to copy the ACHP on their correspondence to us and we continued this practice in our correspondence.

Faith

Faith,, what is the formal status of the ACHP? Are the participating?

thanks,

Ted
