Jesse,

Thank you so much for getting back to me so quickly and arranging this meeting with you and your colleagues at corporation counsel. I am looking forward to meeting you all in person, although Donna and I have worked together off and on for over 15 years.

On Wednesday I am scheduled to go on a tour of the project alignment at 8:30 am but my agenda does not indicate how long it will take. If a little later in the day would work for you, that may help. Otherwise, I will make arrangements to exit the tour in time for our meeting.

Thanks again for making these arrangements on such short notice. I did get your phone call earlier but was on the other line. The cell phone number below will be the best way to reach me next week.

Renee,

Following up on your voicemail, I can meet with you on Wednesday, November 4, 2009 at 10:00 a.m. I reserved a conference room at our office in Honolulu Hale, which is a block from the Rapid Transit Division's offices.

I also invited Corporation Counsel Carrie Okinaga and Deputies Donna Woo, Reid Yamashiro, and Don Kitaoka to join us. You may have met them in person or by phone.

We look forward to meeting with you. Please let me know if you need directions on how to get to our office.

Sincerely,

Jesse K. Souki
