I have uploaded a set of discussion points responding to NPS's concerns, along with plan sheets and photo simulations to our FTP site. Follow the link below for the files.

RE: Honolulu High Capacity
Transit
Project - Finding of Effects

Comments

Hi Elaine -

Would you be available for a conference call on Friday, June 5th, 8:00 a.m. (Hawaii), 11:00 a.m. (Pacific) and 2:00 p.m. (Eastern)? This would allow FTA's HQ environmental staff people to participate in the call. If this is ok, I will arrange for a call in number.

Thanks.

Faith

Faith,

Would it make sense to schedule a time, so that we can get it on our calendars?

Elaine

Hi Elaine -

We did get your letter by fax yesterday and will be in touch with you shortly to discuss your comments.

Faith

Faith -

This is a follow-up to the voice mail that I left you yesterday. I want to verify that the comment letter that I faxed to your office yesterday has been received. The letter was addressed to Mr. Yoshioka and sent to he fax number on the Department of Transportation Services letterhead (808 523-4730). We have also sent a hard copy of our letter with enclosures via USPS priority mail.

Regards-
Elaine
