Faith,

Thank you for sending the message a second time. I understand Aloha Stadium to be a Federal Lands to Parks property, for which there is a MOU between the NPS and the HI DLNR. David Seigenthaler is the Federal Lands to Parks Coordinator for NPS Pacific West Region. His contact at the state level is Russ Saito, State Comptroller. I have included David in this email. He can best answer your questions. He did not participated in the review of the "Historic Effects Report;" he is aware that you may contact him.

Hi Elaine and Ted -

The numbers for the call this Friday, June 5th, 8:00 a.m. Hawaii, 11:00 a.m. Pacific and 2:00 p.m. Eastern are as follows:

Dial In: 1-888-742-8686  
Conference ID: 9993605  
PIN: 3131

Elaine, in addition to discussing your comments, we also wanted to talk to you or the appropriate person at NPS regarding the Aloha Stadium. Our research has found that the Stadium property is a Federal Funds for Parks project (not certain I have the correct title), not a Section 6(f) property. Should we add this to Friday's agenda or should this be a topic for another call? Please let me know.
