Hi Ted -

We have been discussing the issue of extending the review period for the DEIS and as I related to you, a 30 day extension would be fatal to our schedule. We have plans to discuss this issue with the parties that have requested an extension TODAY to see if it is possible to change their minds. Therefore, I ask that you not submit a DEIS review period extension notice until we have a chance to talk to the requesting parties.

Faith

Hi Faith, the new closing period for the DEIS will be 2/6/09, 30 days after the original. We reconsidered and decided we should notice the federal register. Please notice locally ASAP and let me know when you have done so.
