Subject: NPS letter on transit project

Wayne:

To follow up on our conversation the Counsel General's luncheon. If it is available, we would like to receive a copy of the letter from the National Park Service in regards to the transit project. If the City and County has a white paper on the issue, please forward that as well. As you know the Senator offered to write a letter but I would also like to go to the Arizona Memorial and talk with the park superintendent.

Thank you.

Alan
