Faith,

I do not have any other changes to propose to that section of the PA.

I am available for the next hour and a half if you would like to discuss the PA further.

Hi Liz –

We noted that some of the comments in the PA were from Elaine Jackson-Retondo. Some of the comments were discussed during the teleconference and changes were made to reflect this discussion. Did you want us to make any other changes?

I'll try calling you tomorrow to discuss. Thanks.

Faith

Hello Faith,

Please see my comments and text tweaks on the PA. One version has the messy track changes. The other version just has my comments.

Appendix B is from the Knik Arm PA that the SHPO pulled some of the Kako'o language from. I think that will be useful for developing Appendix A for the Honolulu Transit PA.

Please let me know if you have any questions on my comments.

Thank you!

Liz
