Subject: Honolulu Rail Project Section 106 PA

Hi Everyone –

As I related in my email to all of the Section 106 Consulting Parties, we are preparing the "final" version of the PA that addresses all of the comments that have been received. Concurrently, we are finalizing a matrix that includes all of the comments received from Day 1 and how these comments were addressed. It is our intent to have these two documents completed by early next week, at the latest by Tuesday. What is FTA's position regarding the next step? Should we schedule a meeting for the following Monday, November 9th, to go over the PA and for the signatories to make any final statements?

It is my understanding that once you receive the PA on November 3rd, the PA needs to undergo a legal review prior to having the Regional Administrator sign it. However, we would like to go ahead and schedule the November 9th meeting. Ok?
