Subject: RE: Historic Effects Report - Honolulu High-Capacity Transit Corridor Project

Hi Elaine -

Got your voicemail message today. Sorry for the delay in getting back to you.

I'm not certain whether I am the one to grant you an extension to the comment period on the document. All I can say is please get your comments to us ASAP, if not by May 16th.

The Historic Effects Report was transmitted to the Hawaii State Historic Preservation Division on April 16. The 30-day period would end on May 16th. We are hoping for comments by that date.

Will you be coming to Honolulu anytime soon?

Faith

Faith,

I would like to verify the deadline for comments on the Historic Effects Report for the Honolulu High-Capacity Transit Corridor Project, and if necessary request an extension for our comments. The cover letter was dated April 15; however, I did not received the document CD until April 20. We can complete our comments by Friday May 22. Please let us know if this is acceptable.

Regards,
Elaine
