Murray,

Thank you for letting us review and offering an opportunity to add some. I will talk to PB and get back to you by Monday.

Toru,
As we discussed, here is a copy of the draft survey I mentioned. Let me know if you would like us to add a question or two.
Murray

Ed,
Attached is a copy of the draft transmittal letter and transit survey we plan to send to our member's. We will be asking them to have their employees fill out the survey. As I mentioned on the telephone, we were wondering if there was a question or two you wanted to add to the survey. Please let me know if you are interested in adding anything.
Murray
