Harvey et al:

The completion of the FEIS is a useful milestone for a transition here in FTA HQ from me to Robyn Sinquefield as the team leader for this project. Robyn coordinates FTA activities for all New Starts projects as they approach and obtain their FFGAs. I'll keep an eye on the project via Robyn -- can't wait to see the updated financial plan, for example -- so you do not need to cc me on communications.

Thanks.
Jim
