Amy,

This request came from me. If you don't have it in word, don't worry about it. I can insert comments into the PDF.

Thanks,
Chris

Hi Liz, Our FEIS is in a graphics program, not in word. Can you please help me better understand the extent of the word edits FTA wants to make so that I can work out the logistics to expedite your review and comment on the Section 4 (f) Evaluation?

Please feel free to call me at 801 201 2670

Amy

Thank you, Amy. Could we also get a word version of the Section 4(f) chapter?

Thank you!

Faith,

Could you send me the comments listed below as word files? Our regional office may already have them, but we need them in headquarters. I figured it would be fasted to get them from you. We are busy bees working on reviewing the document and comment responses and have added additional resources to the review. We hope to send comments as soon as we can.

As you saw, the NPS responded to my email. I will give her a call tomorrow. Have you heard from the SHPD on their site visit to the airport area? Also, I would like to catch up with you on your visit yesterday to the OIBC.

Have a nice day –

Liz

Liz, is this what you were looking for? These were the commentors whoe responses the City suggested needed special attention, besides Cliff Slater.

Renee,
As we discussed, response letters you might want to focus on first
