Subject: Honolulu High Capacity Transit Corridor Project Final EIS

Aloha Faith,
Here is the Navy's second response letter to the draft Final EIS for the Rail project. In our original letter of May 7, we said that we would continue our review and would have a final response by the end of the month. We have completed our review earlier than expected. The Captain signed the letter today, and it will be mailed out tomorrow. Please let me know if there are any questions. Look forward to continuing to work with you as the project moves forward.
