Hi Faith,

This email is to confirm we delivered the Honolulu FEIS to EPA this morning. The transmittal letter requested a comment period of June 25 to July 26.

Please provide hard copies of the full document (FEIS and appendices) at various locations in Honolulu.

Thank you,
Megan

Hi Carl –

We have just completed the distribution of the Honolulu High-Capacity Transit Corridor Project Final EIS to those persons/organizations that are on the List of EIS Recipients in the document. The documents were distributed using Federal Express, the U.S. Postal Service and hand carry. Those persons for whom we do not have mailing addresses for have been sent an email message asking that they contact us for a copy of the Final EIS.

This notification will allow you to file the Final EIS with EPA tomorrow (Friday, June 18, 2010) for publication in the Federal Register on Friday, June 25, 2010. The deadline for FEIS comments will then be July 25, 2010 (Since this falls on a Sunday, will the deadline then be July 26?).

Please send me confirmation that the EPA filing has been done.

Much thanks to you and your staff for all your help in getting this Final EIS completed.

Faith
