Aloha Lawrence

I just received a call from Melanie Chinen Administrator for SHPD, asking what is the status of the meeting on the Mass Transit. She is meeting with all of her staff today they will reconvene at 1:30. She thought that everyone from her office could make a meeting next week Thursday, Feb. 9. I told her that PB and the City were coordinating this meeting. She asked that once a meeting has been set to call Susan Yanos (her secretary) who will coordinate with SHPD staff.

Could you please follow up with the City on this matter. Thanks. dawn
