Subject: ARRA formula grant application deadline

Hi, Ted. Would appreciate your guidance on the following:

1. Page 9663 (3rd column) of the 3/5/09 Federal Register Notice on ARRA apportionments (FRN) states:

"FTA will consider a submittal timely if a complete ARRA formula grant is received on or before July 1, 2009."

Please confirm the July 1, 2009 deadline applies to FTA's receipt of a "complete ARRA formula grant application".

2. Page 9671 (middle column) of the FRN states:

"Once a Governor allocates recovery formula funds to each urbanized area between 50,000 and 200,000 in population..., then FTA will make grants directly to recipients in those areas."

The City and County of Honolulu is a designated recipient for "regular" \$5307 funds apportioned to KAILUA (HONOLULU COUNTY)--KANEHOHE, HI (UZA 153480). Please confirm the City does not require a separate Governor's designation for ARRA funds apportioned to UZA 153480.

Thanks so much,
Phyllis
