Aloha no e Faith,

A while back, you wrote me with the contact information for the appropriate person (I think at the Advisory Council on Historic Preservation) to write to regarding the OIBC's wish to be included as a signatory on the PA.

I thought I had filed that email in my OIBC file, but can't find it now.

I'm so sorry...Could you please resend that to me whenever you have a chance?

Mahalo nui loa,
Kehau
