Hi all, sorry for the glitch - Can we do Thursday 1/22 at the time of 9 AM Honolulu, 11 AM Pacific, and 2 PM Eastern? It works for Jim and I. (I think I have the time zones right this time)

Please let me know.

Sorry,  
Only 2 hours in winter.  
We are running to a meeting with the Corps of Engineers, so we are going to have to

AR00141710

re-schedule.  
Any time next week available?

Hi all, there may have been a mistake on my understanding of the time changes. I had said 12 PM pacific, 3 PM eastern, and 9 AM honolulu, has the time changes between time zones? Anyway we were planning on signing on at 12 noon our time, and hopefully Jim will as well at 3 Pm his time.

Faith, a conflict just developed on 1/21. I hope 1/15 at 9 AM your time works, or we'll find some other dates.

thanks,  
Ted

Hi Ted and Ray -

Happy New Year! Hope you enjoyed your holidays!!

Now back to work. I have a couple of things that I wanted to bring up with you.

1. We have been working with the State Historic Preservation Division on the effect determinations and would like to update you on the discussions that we have been having. I would like to schedule a conference call with you and whoever else you would like to include for anytime after Tuesday, January 13th at a convenient time for you.

AR00141711

Please let me know when would be a good time. I will ask PB to set up a call-in number. Thanks Steve and Lawrence.

2. Would it be possible for you to send me copies of the DEIS comment letters that you have received thus far? We wanted to get a "head start" on preparing the responses.

I will be on vacation until January 12th, but will be checking in periodically. Thanks.
