Subject: Spot Report Status

Harvey – I just wanted to give you an update on the status of our Spot Report.

We have submitted all sections in DRAFT form, and received comments on most of them from FTA. We are compiling the various sections into a Master Spot Report and developing an Executive Summary. I had intended to submit a REVISED DRAFT of the Master Spot Report to FTA on Monday. However, we are now tentatively scheduled to participate in a conference call on Monday (12/8) with FTA to discuss some of the DRAFT sections. Depending on the outcome of that call, we will revise the sections as needed and finish compiling the Master Spot Report.

I do not know when the report will be sent to the City, as I expect FTA “management” will want to review our report prior to its release. It currently is 200+ long, and I do not know how long it will take them to complete their review.

Thanks,
Timothy L. Mantych, P.E. (MO, IL)
Jacobs
