Aloha M,

Please review the first part of my draft of the NB#31 Kailua October 2008 minutes - it took me a long time to make sure that the Go Rail Go and Stop Rail Now presentations and pages of comments were correctly stated and properly organized.

If possible, please try to review and return to me by 10:00 a.m. on Monday, October 27, 2008, so that I can still give Linda (secretary) a few days to review before the mailout.

The second part will follow very soon, hopefully before I finish today.

Mahalos :)
