Dear Mr. Rogers:

Subject: Honolulu High-Capacity Transit Corridor Project

Enclosed for your review are three (3) CD copies of the preliminary draft of the Administrative Final Environmental Impact Statement (EIS) for the subject project. The text of this document is being provided to allow you to review Appendix A, which includes all of the comments received on the Draft EIS and the letters that respond to those comments. Both the text of the Administrative Final EIS and all of the response to comment letters have been reviewed by legal counsel from the perspective of defensibility of the Final EIS.

By copy of this letter, three (3) CD copies of the Administrative Final EIS are being transmitted to Mr. James Barr of the FTA Office of Planning and Environment in Washington D.C. Copies of the document are also being transmitted under separate cover to the cooperating agencies for their review.

Very truly yours,
