Aloha e Ruby Maunakea,

Owau no Lani Ma'a Lapilio and our consulting firm Ku'iwalu, is working on the Honolulu Rail Transit Project. I am writing to you as President of the Nanaikapono Hawaiian Civic Club and received your e-mail address from Association President, Leimomi Khan. I'm writing to ask if our project team could attend one of your upcoming membership meetings to present updated information about the mass transit project. More importantly we look forward to addressing any questions or concerns that you or your membership may have. As part of our Section 106 outreach efforts we have identified potential impacts on historic properties and cultural resources within the project corridor and we look forward to the opportunity to share and discuss this information with all of you at one of your upcoming meetings.

I know that your agendas are very full however I hope that you will be able to allow time for a 15 - 20 minute presentation. Please feel free to call me on my cell (808) 382-1145 or e-mail me if you have any questions or concerns. I look forward to hearing from you. Mahalo nui loa. Aloha a hui
